768. Piedad Córdoba Ruiz [Colombia le respondió a Petión con Duque. El drama de Haití](#) "La DEA, que es una entidad de personal gubernamental pero no estatal, es corresponsable del negocio del narcotráfico a nivel regional, así como de la fracasada pero rentable "Guerra contra las Drogas" que completa medio siglo de fiascos. Como sucediera en los años ochentas del siglo pasado con el dictador panameño, la DEA sigue creando "Noriegas", ceba aliados que defenestra cuando se le tornan incómodos o impresentables, o simplemente cuando pueden serle más funcionales fabulando montajes contra enemigos de Washington".
